

VAN WESTEN VINEYARDS

Viscous 2019

Tasting Notes

5 year old vines have produced a wine with an intense nose of granny smith apple, nectarine, lime zest and undertones of minerality. The off-dry palate is balanced with mouth watering acidity and bursting with flavors of green apple and honey dew that are complemented by underlying acidity and citrus fruits that create a seamless finish.

100% Riesling

187 cases produced

\$25
